SKILLS

- Design PCBs (Altium, Eagle, KiCad)
- Design Analog & Digital circuits
- Linux
- C, *Embedded C*
- Python
- Reverse Engineering
- CAD (FreeCad, Fusion 360)
- Industrial maintenance / repair
- Git
- SQL
- Spreadsheets
- Portuguese (First Language)
- Proficient English (C2 Level)

EXPERIENCE

Firmware Developer (Full-Time))

Globalsilva, Lda.

2021 - Present (as of 2022)

Repair Technician (Part-Time),

Hardware and Firmware Design (Full Stack Embedded) (Freelance)

Globalsilva, Lda.

2014 - 2021

R&D Research Technician (Cientific initiation scholarship)

Universidade de Coimbra

nov. 2019 - jun. 2020

R&D Lab Technician (Internship)

INESC Coimbra.

feb. 2019 - jun. 2019

Industrial Electrical Board Department (Internship)

EST SGPS, S.A.

may. 2015 - jul. 2015

CNC Maintenance Technician (Internship)

IMPL Mecânica de Precisão, Lda.

jan. 2014 - feb. 2014

PROJECTS

OpenEEW

Hardware Design Lead (2020 - Present)
